(Article 50(9) of Regulation (EU) No 1303/2013)

In the reporting year 2014-2015 the Interreg IPA CBC Italy-Albania-Montenegro Programme was developed and approved. The Programme was successfully adopted by the European Commission on 15.12.2015 as a result of a close and intense cooperation of the three countries in these years.

Several meetings of the task force in charge of developing the Interreg IPA CBC Italy-Albania-Montenegro Programme took place in the programme area: Podgorica, February 2014; Tirana, April 2014; Bari, September 2014; Rome, October 2014; Podgorica, March 2015. They were essential to feed into the work of the programme development team.

Furthermore, a series of dissemination activities took place in order to involve key programme stakeholders in the consultation process, which helped in shaping the programme strategy.
